

Faculty Member Details

Name: Dr. Gautam Kumar Meghwanshi		 Photo
Date of Birth:	05-01-1978	
Date of joining:	10-06-2011	
Present Position:	<input type="text"/>	
Department:	<input type="text"/>	
Pay Scale + Grade Pay:	<input type="text"/>	
Mailing Address:		
Office: Deptt. of Microbiology Academic Block Maharaja Ganga Singh University N.H. 15, Jaisalmer Road, Bikaner-334004		Residence: C-123/III/18, CAQ Quarter Jai Narayan Vyas Colony, Sector-V, Nr. Hemu Kalany Circle, Bikaner
Telephone No.: Fax No.:		Mobile No.: 9680640708 E-mail: drgkm_biotech@yahoo.com drgkm@mgsbikaner.ac.in
Qualifications:		
M.Sc. Microbiology from Deptt. of Microbiology, M.D.S University Ajmer in 2001 Ph.D. Microbiology from Deptt. of Microbiology, University of Delhi in 2008 Specialization: Microbial Biotechnology (Fermentation and Biocatalysis)		
Research and Teaching Experience(Ph.D. onwards): (8 Years)		
CSIR-Research Associate , Dept. of Microbiology, University of Delhi South Campus, New Delhi-21	1st May 2008	20th November 2008
Lecturer , ARIBAS, New V.V. Nagar, Gujarat-388121	5th Dec 2008	10th Oct 2009
Executive Biotechnology , Biotechnology Centre, Unimark Remedies Ltd., Bavla, Ahmedabad, Gujarat. INDIA	28th Oct 2009	8th June 2011
Assist. Professor , Deptt. of Microbiology, Maharaja	10th June, 2011	Continue

Ganga Singh University, NH-15, Jaisalmer Road, Bikaner, Rajasthan, INDIA		
---	--	--

Research Projects and Grants:

S. No.	Title	Grant Period	Cost (In lacs)	Funding Agency
1	Bio-Prospecting for Novel Microbial Lipases from Desert Ecosystem of Rajasthan: The Thar desert	3 Years	22.72	SERB, New Delhi
2	A highly alkaline 1,3-regiospecific lipase from <i>Pseudomonas aeruginosa</i> : process optimization, purification, characterization and its potential industrial applications.	5 Years	5	CSIR
3	Screening, production, characterization and application of protease (keratinase) activity from indigenously isolated bacterial strain	1 Year	0.10	DST-Rajasthan

Publications:

I. Books published: 3

A. Authored:	<p>Book Chapters</p> <p>Meghwanshi ,G.K. and Vashishtha, A. (2015). Industrial biocatalysis: a green solution to environmental conservation and sustainability. In: Microbial Research – An Overview. V. Katiyar and ---- (ed.) IK International Publishing House, New Delhi (India) (In Press).</p> <p>Meghwanshi ,G.K. and Vashishtha, A. (2015). Applications of Enzymes in Food Processing. In: Microbes in Action, J. Singh & P. Gehlot (ed.).</p>
---------------------	--

	<p>Agrobios (INDIA) pp.281-301.</p> <p>Meghwanshi ,G.K. and Dhabai, B. (2015). Food Preservation: Methods and Practices. In: Microbes in Action, J. Singh & P. Gehlot (ed.). Agrobios (INDIA) pp. 303-316.</p> <p>Vashishtha, A. and Meghwanshi ,G.K. (2015). Biodegradation of polycyclic aromatic hydrocarbons with special reference to naphthalene. In: Microbes in Action, J. Singh & P. Gehlot (ed.). Agrobios (INDIA) pp. 145-166.</p> <p>Vashishtha, A., Meghwanshi ,G.K. and Baid Sweety (2016). Quorum sensing and bacterial pheromones: a role to influence the local microbial environment (Accepted)</p> <p>Vashishtha, A., and Meghwanshi ,G.K. (2015). Approaches towards biological restoration of hydrocarbon polluted sites: bioremediation and phytoremediation. In: Environment Management Chellanges and Conservation J.B. Khan (ed.) pp. 89-104.</p> <p>Meghwanshi, G. K. and Vashishtha, A. (2012). Microbial enzymes: production and applications. In: Recent trends in Microbiology (eds. B.B.S. Kapoor and Anil Arora). B. National Journals:	Nil
Visits Abroad:	

Nil

Research Supervised - Ph.D./M.Phil. (Name of student and title):

Name of Student: Mrs. Bharti Dhabhai

Title: Microbial Lipase: production, purification, characterization and applications

Other activities:

**Seminars/ Conferences
/ Workshops
(organized/attended)**

International

4th Biennial International Conference on Entrepreneurship, Tourism, Environment and Energy, organized by Centre for ESBM M.D.S. University, Ajmer (India) during Oct. 11-12, 2014.

54th Annual Conferences of Association of Microbiologists of India (AMI) Platinum jubilee celebration & International symposium on Frontier Discoveries and Innovations in Microbiology and its Interdisciplinary Relevance (FDMIR-2013) organized by MD University, Rohtak, Haryana, India, during Nov 17-20, 2013.

18th Pradanya 2013: International Conference on Healthcare India: Opportunities, Challenges & Innovations, organized by IIHMR, Jaipur (India) during October 3-6, 2013.

International Conference on Advances in Ecological Research organized by Department of Environmental Science, Maharaja Ganga Singh University, Bikaner (Rajasthan) and Nature Conservators, during December 19 -21, 2011.

IUPAC Sponsored Second International Symposium on Green/Sustainable Chemistry, organized by Department of Chemistry, University of Delhi, during January 10-13. 2006.

Microbial Diversity: Current Perspectives and Potential Applications: An International Conference, organized by Department of Microbiology, University of Delhi South Campus, during April 16-18, 2005.

ICOB-4 & ISCNP-24 IUPAC International Conference on Biodiversity and Natural Products. Chemistry and Medical Applications organized by Department of Chemistry, University of Delhi and the CSTR during January 26-31, 2004.

National

Value Education in Higher Education System: Is There a Need? Gautam Kumar Meghwanshi. National Seminar on National Education Policy 2016: Issues, Challenges And Suggestions, M.G.S. University, Bikaner on Oct. 17, 2016.

National Workshop on Women's Rights as Human Rights, organized by M.G.S. University, Bikaner and National Human Rights Commission, New Delhi on January, 26, 2016.

National Seminar on Overpopulation and its Effects on Environment, organized by Gramin Mahila P.G. College, Shivsinghpura, Sikar and Indian Council of Social Research, New Delhi during January, 15-16, 2016.

Workshop on Nano Science & Nano Materials organized by Deptt of Physics, Govt. Engineering College, Bikaner during 19-20, October, 2015.

National Seminar on Marginal Societies in Rajasthan, organized by Deptt of History, M.G.S. University, Bikaner during 30-31, March, 2015.

National Conference on Recent Trends in Engineering & Applied Sciences, organized by Manda Institute of Technology, Bikaner & Manda College, Bikaner during 20-21, March, 2015.

National Seminar on Current Trends in Environmental Research, organized by Deptt of Environmental Science, M.G.S. University, Bikaner during 28th Feb - 2nd March, 2015.

National Conference on Energy & Environmental Engineering, organized by Manda Institute of Technology, Raiser, Bikaner during April 26- 27, 2014.

Recent Trends and Future Prospects of Microbiology and Biotechnology, organized by Shri JJT University, Jhunjhunu, during March, 3-4, 2014.

National Conference on Biodiversity Conservation Embracing Our Past Preserving Our Future, organized by The IIS University, Jaipur, during September, 27-28, 2013.

National conference on biodiversity depletion -Causes, consequences and solutions, organized by Department of Botany, M. L. V. Govt. college, Bhilwara during September 28 - 29, 2012

National Seminar on Environment Management & Biodiversity Conservation (Present Status & Future Strategy) organized by Govt. Lohia PG College, Churu-331001 (Raj.) India from 06-07 Oct, 2012

One day awareness workshop on "Promotion of Human Health

	<p>Using Synbiotics” organized by Anand Agricultural University, under the aegis of ICAR Niche Area of Excellence on “Functional Fermented Dairy Products with Synbiotics”, on February 26th, 2009</p> <p>National Seminar on Green Chemistry and Natural Products organized by Department of Chemistry, University of Delhi, during November 26-27. 2007.</p> <p>Second Convention, Biotech Research Society of India: “Path to Health- Biotechnology Revolution in India” organized by Centre for Biotechnology & Centre with Potential for Excellence in Environmental Science, Anna University, Chennai, during November 24-26, 2005.</p>
Membership	Life Membership of AMI & Indian Science Congress
Awards	<p>CSIR- JRF</p> <p>CSIR- SRF</p> <p>CSIR- Research Associate</p> <p>Best Poster Awards (two)</p>
Others	<p>PATENT</p> <p>“Optimized process for production of alkaline lipase enzyme from <i>Pseudomonas</i> sp. and applications thereof" Authors name: Prof. R.K. Saxena & Dr. Gautam Kumar Meghwanshi. Application no. is 89/DEL/2011, Date of Filing: 14/01/2011, Date of Publication: 30/08/2013</p> <p><u>Oral/posters presentation on Research Works in Conferences</u></p> <p>➤ International</p> <p>Microbial Lipase Catalyzed Synthesis of Fatty Acid Alcohol Esters for Biodiesel and other Applications (2014). Gautam Kumar Meghwanshi. 4th Biennial International Conference on Entrepreneurship, Tourism, Environment and Energy, M.D.S. University, Ajmer (India).</p> <p>Synthesis of Various Alcohol Esters of Fatty Acids by <i>Pseudomonas aeruginosa</i> Lipase: A Green Solution to Conventional Industrial Processes (2013). Gautam Kumar Meghwanshi and R. K. Saxena. 54th Annual Conference of AMI & International symposium on FDMIR-2013, MD University, Rohtak, (India).</p> <p>Microbial lipase catalyzed synthesis of diglycerides for hypertriglyceridemia treatment in Type II diabetic patients: a new approach to meet current challenges in phatmaceutical industries. (2013). Gautam Kumar Meghwanshi and R. K. Saxena. 18th Pradanya 2013: International Conference on Healthcare India:</p>

Opportunities, Challenges & Innovations October 3-6, 2013, IIHMR, Jaipur (India).

Process optimization of lipase production from a potent strain of *Pseudomonas aeruginosa* and its application in bioester synthesis. (2006). **Gautam Kumar Meghwanshi**, Lata Agarwal and R. K. Saxena.. IUPAC Sponsored Second International Symposium on Green/Sustainable Chemistry, University of Delhi, Delhi-110007 (India).

An alkaline thermostable lipase from *Pseudomonas* sp. (2004). **Gautam Kumar. Meghwanshi**, Anoop Batra, Pritesh Gupta and R. K. Saxena. ICOB-4 & ISCNP-24 IUPAC International Conference on Biodiversity and Natural Products: Chemistry and Medical Applications. Department of Chemistry & Council of Scientific and Industrial Research, New Delhi (India).

Optimization of tannase and gallic acid production from *Aspergillus versicolor* in fermenter using response surface methodology (RSM). Anoop Batra, Shashi Saxena, (2004). **Gautam Kumar Meghwanshi** and R.K. Saxena. ICOB-4 & ISCNP-24 IUPAC International Conference on Biodiversity and Natural Products. Chemistry and Medical Applications. Department of Chemistry, New Delhi (India).

Selective acylation of deoxyribo-/ribo-nucleosides with a novel lipase in non-aqueous solvents. C. Mukherjee, G. Sakya, **G.K. Meghwanshi**. Y.S. Sanghvi. V.S Parmar, R.K. Saxena and A.K. Prasad (2004). ICOB-4 & ISCNP-24 IUPAC International Conference on Biodiversity and Natural Products, Organized by Chemistry and Medical Applications. Department of Chemistry, New Delhi (India).

➤ **National**

Value Education in Higher Education System: Is There a Need? (2016). Gautam Kumar Meghwanshi. National Seminar on National Education Policy 2016: Issues, Challenges And Suggestions, M.G.S. University, Bikaner.

October 17, 2016

Application of Microbial Lipase in Leather Processing- A Green Technology (2016). **Gautam Kumar Meghwanshi & Abhishek Vashishtha**. National Seminar on "Agriculture Resource Management for Sustainability and Eco-Restoration". ICAR-Central

Institute for Arid Horticulture, Bikaner.

Lipase mediated Degreasing of Animal Hides/Skins- An Approach Towards Conserving the Environment (2016). **Gautam Kumar Meghwanshi** & Abhishek Vashishtha. National Seminar on Overpopulation and its Effects on Environment, Gramin Mahila P.G. College, Shivsinghpura, Sikar.

Applications of Bacterial Keratinase in Bioremediation of Keratin Rich Wastes (2015). **Gautam Kumar Meghwanshi** & Abhishek Vashishtha. National Conference on Recent Trends in Engineering & Applied Sciences. Manda Institute of Technology, Bikaner & Manda College, Bikaner.

Application of *Pseudomonas aeruginosa* lipase in Ester Synthesis (2015). **Gautam Kumar Meghwanshi** & Abhishek Vashishtha. National Seminar on Current Trends in Environmental Research. Deptt of Environmental Science, M.G.S. University, Bikaner.

Enzymatic Synthesis of Antioxidants under Mild Reaction Conditions (2014). **Gautam Kumar Meghwanshi**. National Conference on Energy & Environmental Engineering, Manda Institute of Technology, Raiser, Bikaner.

Optimization for Bacterial Protease Production and its Applications in Bioremediation of Keratin Rich Wastes (2014). **Gautam Kumar Meghwanshi** and R. K. Saxena. Recent Trends and Future Prospects of Microbiology and Biotechnology, Shri JJT University, Jhunjhunu.

Pseudomonas aeruginosa lipase mediated synthesis of flavour and fragrance esters: a green process to conserve the biodiversity (2013). **Gautam Kumar Meghwanshi** and Dr. Abhishek Vashishtha. National Conference on Biodiversity Conservation Embracing Our Past Preserving Our Future, The IIS University, Jaipur.

Process optimization of bacterial keratinase production & its application in bioremediation of keratin rich waste. Sweety Baid, Khushboo Bothra & **Gautam Kumar Meghwanshi** (2012). UGC Sponsored National Conference on Current Issues and Opportunities in Biotechnology, organized by Department of Biotechnology, Mahila P.G. Mahavidyalaya, Jodhpur.

Optimization of enzymatic synthesis of partial glycerides of lauric acid under solvent free conditions: a solution to conserving biodiversity. **Gautam Kumar Meghwanshi** (2012). National conference on biodiversity depletion -Causes, consequences and solutions, organized by Department of Botany, M. L. V. Govt. college, Bhilwara-311001 (Raj.) India.

Enzyme (Lipase) Mediated Green Synthetic Processes: An

Approach Towards Conserving Biodiversity and Sustainability. **Gautam Kumar Meghwanshi** (2012). National Seminar on Environment Management & Biodiversity Conservation (Present Status & Future Strategy) organized by Govt. Lohia PG College, Churu-331001 (Raj.) India

An alkaline lipase from *Bacillus* sp. IR2: production, characterization and its applications in synthesis of cocoa butter substitute. R. K. Saxena, Isha rawat, Swati Misra, Pritesh Gupta and **Gautam Kumar Meghwanshi**. (2007). National Seminar on Green Chemistry and Natural Products. University of Delhi, Delhi-110007 (India).

Production and optimization of alkaline lipase by a thermophilic mould *Thermomyces lanuginosa* in solid-state fermentation. (2005). Pritesh Gupta, **Gautam K. Meghwanshi** Saurabh Saran and R. K. Saxena. Second Convention, Biotech Research Society of India, 24th-26th November 2005.

A marked enhancement in succinic acid production by *Enterococcus flavescens* using response surface methodology. Lata Agarwal, Jasmine Isar, **Gautam Kumar Meghwanshi** and R.K. Saxena (2005). Second Convention, Biotech Research Society of India, 24th-26th November. Anna University, Chennai (India).

Statistical optimization of most influential parameters affecting succinic acid production from *E. coli* M87049. Lata Agarwal, Jasmine Isar, **Gautam Kumar Meghwanshi** and R.K. Saxena (2005). Second Convention, Biotech Research Society of India, 24th-26th November. Anna University, Chennai (India).
